Building the Future of Digital Identity @ Trential
Delhi, India

Summary

I graduated in Bachelor's of Management Studies with a strong passion for data analysis. I have acquired skills in SQL and Excel, enabling me to efficiently manipulate and extract insights from large datasets. My goal is to leverage my knowledge and expertise in data analysis to contribute effectively to organizations seeking data-driven decision-making. I am eager to explore opportunities where I can apply my analytical skills and make a meaningful impact.
