Building Trential | Product Designer | M.Des @ IIT Roorkee'23 |  
B.Des @ NIFT Gandhinagar'20  
Gurugram, Haryana, India

## Summary

I am passionate about User Experience Design and wants to learn more and grow in the domain. I believe that inspiration is in everything we interact with our surroundings. Having fun in every project I am involved in, passion and dedication are the main factors that fuel my love for Design.

I am skilled at User Experience Design, Interaction Design, Behavioral Design, User Research, Empathy and Human-Computer Interaction, but there's always room to learn more.

---
